- * **Parents As Partner Series: Outside the Classroom -** Cochise SDA Christian School prioritizes providing high-quality education and value for our students. The best way to support student success is by partnering with parents. In our "Parents As Partners" series, we will share our program standards for parental involvement, including ways for parents to support learning at home. Parents can help improve the quality of education their child receives at home by ensuring that they complete their assignments on time, attending school-related events and performances, reading school communications, and regularly encouraging and supporting their child's teacher. By taking an active role in their child's education, parents can help to enhance the learning experience and support their child's success. Want to know more? Please contact Juliebee Roberts / jolly12bee@outlook.com / (520) 483-8027.
- * **YouTube Videos:** While it is easy to show a YouTube video during a church event, unfortunately, in most cases, it is a violation of copyright unless we have written permission, or the video has a Creative Commons-Attribution license. If you have questions on this, please talk with Bob Coffen. Thank you for your cooperation.
