*** Tips for Parents – Getting Organized:** Help your kids get organized! Organization is important for everyone. Talk with your child about how you organize things and how he or she can become organized. Provide materials— such as an assignment log, notebooks, folders, a calendar and other tools— that can get your child organized. When your child is presented with a large task, help them break it into small ones and establish a success plan and deadlines for each task. We love it when our parents model organization at home to reinforce this valuable character tool for our student’s future. Are you sharing our school with others? Please contact Juliebee Roberts / jolly12bee@outlook.com / (520) 432-9186.

*** Recycling For Our School: (Earned from December \$81)** The recycling shed lock code is 7777. Please lock the shed after leaving any recycling items. Recycling that pays – aluminum cans (including cat food cans) and clear plastic bottles that have had a drinkable liquid in them (i.e., water, juice, soda). *No milk or water jugs that are not clear and no glass.* Rinse out bottles/cans, crush them, and *bag them* before turning in.
